**DATES TO REMEMBER IN 2004**

**Dec. 1, 2003–Jan. 31, 2004**—Application period for nonresident Southeast Idaho deer limited entry drawing.

**Jan. 15–Feb. 15**—Application period for wild turkey and spring black bear controlled hunts.

**April 1-30**—Application period for mountain goat, bighorn sheep, and moose controlled hunts.

**May 1-31** — Application period for deer, elk, antelope and fall black bear controlled hunts.

**June 15–July 15**—Application period for sandhill crane and early Sept. Canada goose hunts.

**December 1**—Nonresident 2005 licenses and general season tags available.

Purchase Methods

Beginning December 1, nonresident licenses, general season tags and permits may be purchased at Fish and Game offices, over the phone, on the internet or at any of the 400+ license vendors statewide. There is still a quota on deer and elk tags, so don’t delay that purchase. You may have a relative or friend purchase for you at a vendor, if they have the identification information requested on the front of this form.

You may add a tag for another species via credit-card purchase, over the Internet or at a license vendor. Previously, tags could only be added at Fish and Game headquarters. If you buy an elk tag in December, and decide in March to add a deer tag, you can do it!

**Credit Card Purchase:** Visa, MasterCard and Discover. Dial **1-800-55HUNT5 (554-8685) or 1-800-TAG-DRAW (824-3729)** beginning December 1. There is a charge for this service which will be explained by the operator upon request prior to confirming your purchase. The advantage is immediate confirmation of purchase, with no uncertainty about missing the quota.

**Internet:** Look for online purchasing under Licenses or Nonresident Info on the hunting and fishing pages of the IDFG website: [www2.state.id.us/fishgame](http://www2.state.id.us/fishgame).

**Mail:** Fill out and mail in this form, along with proper payment, to the address on the front of this application. Processing of applications received in the mail begins December 1. Be sure the correct amount is submitted in check or money order. If more than one application is mailed per envelope, but only one check to cover them all, be sure the amount is correct. An error could result in delay or return of all the applications in the package. Personal checks accepted.

There is a quota on nonresident deer and elk tags. Purchasing early is the best way to ensure that you get them. Any nonresident deer or elk tags remaining unsold after August 27 may be purchased for use as a second tag. If you use an outfitter, the outfitter must purchase your tags.

Other Important Information

Licenses, tags and permits are not transferrable. Refunds are allowed as specified in the big game rules.

**Migratory Bird License Validation:** Necessary to hunt any species managed by the U.S. Fish and Wildlife Service as a migratory species. Collection of data under the Migratory Harvest Information Program will provide a better basis for management of interstate/international species.

Did you hunt migratory birds in Idaho during the last hunting season? (Yes/No)\_\_\_\_\_

If so, what was your estimated harvest of the following:

Ducks \_\_\_\_\_; Geese \_\_\_\_\_; Doves \_\_\_\_\_; Snipe \_\_\_\_\_; Coots \_\_\_\_\_; Sandhill cranes \_\_\_\_\_

**WMA Pheasant Permit:** Pheasants are stocked on several Wildlife Management Areas owned by the Department of Fish and Game. The \$21.50 permit is only required when hunting pheasants on Market Lake, Mud Lake, Sterling, Fort Boise, C.J. Strike, Montour, Niagara Springs and part of the Lower Payette WMAs. Six birds may be taken with a permit and additional permits may be purchased.

Unclaimed Controlled Hunt Permits

Successful applicants for deer, elk or antelope controlled hunts must purchase their controlled hunt permit and tag by August 20, 2004. These will be offered for sale as unclaimed permits. Watch for details on the Idaho Fish and Game website.

Deer Tags

Idaho has three general-season deer tags in 2004. You can hunt only in the units specified for that tag. A nonresident deer tag may be used to take black bear or mountain lion where a deer season and bear/lion season are both open. The tag cannot be used for deer after it is used to tag a bear or mountain lion.

**CLEARWATER:** The Clearwater Region deer tag is good only in Units 8, 8A, 10, 10A, 11, 11A, 12, 13, 14, 15, 16, 16A, 17, 18, 19, 20 and is necessary to hunt either whitetails or mule deer. There is no sub-quota on these tags, and they are available to residents and nonresidents. This is not an extra tag. The Clearwater deer tag is only valid in those units. This tag may be used to apply for controlled deer hunts anywhere.

**SOUTHEAST DEER TAG CHANGES:** The Southeast Region nonresident deer season will be a limited-entry hunt with 1,200 tags available. Applicants must have a valid Idaho hunting license for the same year as the application, or submit the license fee at the time of application. Tag fee of \$235 and an application fee of \$6.50 must also be submitted with application. The application period is Dec. 1, 2003 through Jan. 31, 2004. Unsuccessful applicants will receive a refund of license and tag fees, but not the application fee. Application forms and rules can be found at [www2.state.id.us/fishgame](http://www2.state.id.us/fishgame) under “Hunting”.

Nonresident applicants for the Unit 75,77 and 78 muzzleloader controlled deer hunt (hunt number 1082 in 2003) will **no longer** be required to have a deer tag in possession in order to apply.

**REGULAR:** The general deer seasons in the rest of the state, except Southeast and Clearwater units, can be hunted by holders of a Nonresident Regular deer tag. You may purchase this tag and still apply for any controlled deer hunt.

Elk Tags

For general season elk hunting the state is divided into 29 zones. Within each zone, hunters can choose an A or a B tag (there are a few exceptions in which a zone does not have one or either type of tag).

You may exchange your elk tag for one in another zone until August 29 or until the opening of the first season for which your tag is valid, whichever comes first. Cost is \$3.50. If you have purchased a tag, you may apply in a controlled hunt in any zone and if you are drawn, your tag will be exchanged for the proper controlled hunt permit and tag.

Archery Hunters

Idaho requires all first-time bowhunters to pass an archery education course. Experienced hunters are exempted. Please fill in the archery information at the top of front page of this application.
